Development focus: operating under sustained pressure rather than in transition-oriented pressing structures.
Most effective in a structure that offers an outlet before he's closed down, not as the sole possession pivot.

IDEAL ROLE

Space-Creating #8

THE OPPORTUNITY

A Rare Space-Creating Midfielder. Available Now.

IDEAL FOR CLUBS THAT

- Build their defensive structure around active pressing
- Play with a genuine box-to-box running profile
- Need space creation without the ball
- Offer a clear passing outlet under pressure

MARKET INSIGHT

Recruitment discussions around central midfielders are still dominated by creativity and possession. Profiles that consistently create space without the ball are considerably rarer.

B360 ASSESSMENT

Adrian Beck creates value before the ball arrives. His greatest strength is not what he does in possession, but how his pressing intensity and movement reshape the opposition before the attack even develops.

THE ARGUMENT IN ONE SENTENCE

A low-risk opportunity to acquire one of the market's rarest space-creating midfield profiles, whose elite pressing intensity and off-ball movement generate value long before conventional attacking statistics can measure it.
