

IMAD RONDIĆ

Centre-Forward — 1. FC Köln (Bundesliga)

27 Years · 1.90 m · Contract until 30.06.2029 · Former Bosnia U21 International

THE COMPLETE REFERENCE STRIKER

What does that mean?

A No.9 who combines elite aerial and hold-up presence with proven penalty-box efficiency — a forward who both sustains the attack and finishes it, given the right service.

THE ACTUAL STORY

The market sees availability. B360 sees value.

What the market sees: a contracted Bundesliga forward with two loan spells and limited minutes at his parent club this season.

B360 sees: behind the modest market value sits a Bundesliga-contracted No.9 whose profile consistently combines elite aerial presence, outstanding hold-up play and proven penalty-box efficiency.

WHAT DOESN'T ADD UP

- Elite aerial profile 3/3 seasons
- Elite support play 96 / 94 / 90
- Market value €750k
- Loan opportunity Loan now

That disconnect between market perception and on-pitch value is exactly where smart recruitment creates an advantage.

TWO PILLARS

Lead the attack. Then finish it.

LEAD THE ATTACK

- Elite aerial presence — his standout trait every season
- Strong hold-up play under pressure
- Reliable target for direct play
- Creates space for runners with his movement
- Connects midfield and attack

GROUNDING IN THE DATA

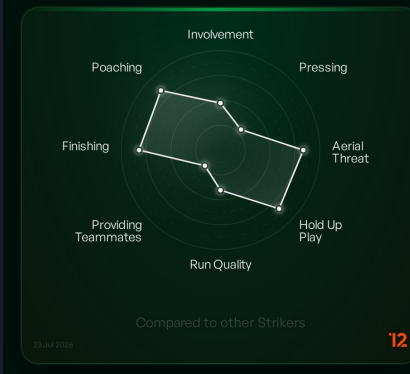

Receives and keeps the ball in tight areas	90.
Generates passing options in build-up	94.
Sustains attacking play as a support option	96.

Small-sample note: current bars are from 979 minutes at Preußen Münster (2. Bundesliga) — a full season will add further confirmation.

FINISH THE ATTACK

Overall performance of Imad Rondić

Polish Ekstraklasa 2024/2025 | 1609 Minutes played

Polish Ekstraklasa 2024/25 · 1,609 min

Given regular service into the penalty area, Rondić demonstrated above-average finishing and penalty-box efficiency across a full Ekstraklasa season — alongside the same aerial and hold-up profile seen in Germany.

- **Elite Aerial Threat — consistent across every season analysed**
- **Above-average Finishing (Ekstraklasa 24/25)**

“Not every striker creates chances from nothing. The best ones consistently finish the chances a team is built to create. Rondić belongs to the second category.”

WHERE HE FITS

THE OPPORTUNITY

IDEAL FOR TEAMS THAT...

- Dominate possession and need a reliable focal point
- Need a striker who stabilises possession in the final third
- Play with wingers delivering crosses into the box
- Look for a No.9 who links play before attacking the box
- Value aerial duels and hold-up play
- Need an experienced, physical striker ready to contribute immediately

WHY THE MARKET IS INTERESTING NOW

- Loan available
- Contracted to a Bundesliga club
- Proven scoring season in the Ekstraklasa
- Entering his prime years (27)
- Market value below comparable profiles

THE BOTTOM LINE

Imad Rondić gives structure to attacking play. He occupies defenders, wins first balls and links attacks. He improves the collective attack before finishing it himself, consistently converting service inside the penalty area. For clubs looking for a physical reference No.9 with Bundesliga experience and immediate availability, he represents one of the more attractive value opportunities currently on the market.
